

2025 Yearling Myotonic Bucks for Sale

La Chevre d'Or Angus "T22"

2xGCH LCD Tauriel x 1xGCH LCD Beau Noir.

3/18/2025 Twin. Black & White, Brown Eyes, Polled.

This is my pick for the show ring this year. He's solid & stands correct. Long bodied, deep & he's got the look. He started off thick, transitioned into a gangly teenager and is now putting it all together nicely! *Private Treaty*.

La Chevre d'Or Kane "T40"

Reserve National Champion Doe PGCH LCD Umbreon x GFF Cappuccino.

3/25/2025 Quad. Black & White, Brown Eyes, Disbudded.

I can't wait to see this guy in the show ring! He stands correct with a solid top line & moves out nicely. *Private Treaty*.

La Chevre d'Or Jasper "T24"

LCD Hope x GFF Cappuccino.

3/19/2025 Triplet, Black, Brown eyes, Polled.

This guy is solid and he stands wide from front to back. I'm hoping he gets into the show ring this year! \$750.

La Chevre d'Or Axel "T8"

LCD Brigid x 2xGCH LCD Raichu

3/16/2025 Triplet, Tan & White, Marbled Blue Eyes, Scur Polled.

This guy tracks out really well & I've liked him since day 1. He's been hard to photograph, so I hope to get some better photos soon. \$600.

La Chevre d'Or Orion "T39"

Reserve National Champion Doe PGCH LCD Umbreon x Goat Flower Farm Cappuccino.

3/25/2025 Quad, Tan & White, Brown Eyes, Disbudded.

Umbreon dam raised all four of her kids with great ease! This guy is growing out well & I can't wait to see how he matures. Black & white in the background is a litter mate. \$600.

La Chevre d'Or TBD "T10"

LCD Brigid x 2xGCH LCD Raichu

3/16/2025, Triplet, Red & White, Blue Eyes, Polled.

Tracts well. Flashy red color & blue eyes. I would like to see better rear leg angulation in the hock area to be competitive. I love how he moves out and he would add some nice color! \$600.

La Chevre d'Or TBD "T46"

Flipping Goat Farm Amanda x National Champion Buck PGCH Goat Hill Farm Nate.

3/26/2025 Twin, Black & White, Brown Eyes, Polled. Excellent breed character. Wonderful myotonic face. Beautiful side profile. I would like to see him straighter on his front legs & wider from front to back to be competitive. If you need to strengthen breed character, he's your guy! He may also make a nice platinum wether if interested as he has a pleasant "look-at-me" personality. \$500 buck, \$300 wether.
